

2. City Guide Suita (Shiho Suita)

This paper features information on events in Suita City and notices from Suita City Hall (on various administrative procedures, health checks, etc.) It's published on the first of every month and delivered to each household. The document is also available at Suita City stations of JR, Hankyu, Kitaosaka-Kyuko railway lines, and the monorail.

Inquiries: Public Relations Division ☎ 06-6384-1276

3. Transportation

(1) Parking bicycles/mini-bikes in front of train stations

There are bicycle parking stations near train stations, and some of them also offer bicycle rental services.

- Rental bicycles

Some bicycle parking stations offer rental bicycles to junior high school students and above. The bicycles are available for use for one month or three months, and the rental period can be continually renewed if there is no other reservation for the bicycle. Rental bicycles are available at the following bicycle parking stations: Hankyu Suita station, Hankyu Toyotsu station, Hankyu Kandaimae station, Hankyu Yamada station, Hankyu Kita Senri station, Kita-Osaka Kyuko Momoyamadai station, and Esaka Park

(2) Prohibited parking areas for parking bicycles/mini-bikes

Prohibited parking areas have been set up to deter illegal parking around the station. Bicycles and mini-bikes left in these areas are removed from the site and stored by the City. Owners must collect their bicycles and mini-bikes within 60 days of it being removed at one of the four storage sites in the City. As a removal and storage fee, the owner must pay 3,000 yen for a bicycle and 4,500 yen for a motorcycle.

Parking of bicycles/mini bikes is prohibited in areas with this sign
